

Ice Rink

Blades scraping on the ice,
Teachers giving students advice.
Little boys and girls twirling around,
To the jazzy, funky, and playful sound.
Kids performing tricks on the slippery surface,
And little Emma skates the furthest!
Skating, twisting, and turning about,
“2 more laps to go!” The instructor shouts.
Meanwhile on the other ice rink,
The sticks go: “clackety dink!”
The puck goes swirling around,
Bang! Crash! Number 76 topples down.
